HOMEWORK 12

1. McDonald's sells 1,987 French Fries every hour. If they are open 24 hours, how many French Fries do they sell in one day?

2. Burger King sells 873 fries every hour, and like McDonald's, is also open 24 hours. If they are both open 24 hours, how many more fries does McDonalds sell in a day than Burger King?

3. Olivia's mom made treat bags for her class to help celebrate Olivia's 11th birthday. She used 672 pieces of candy in all. If she put 28 pieces of candy in each bag, how many treat bags was Olivia's mom able to make?

4. There are four children in Marie's family. She is less than 11 years old and is the oldest. There's a two-year age difference to twins, Grace and Lily, who come next. Tom, who is older than 5 is two years younger than the twins. How old are each of the children?
