HOMEWORK 1

1. Turner has some books. His friend has 36 books and his brother has 22 books. They have 83 books in all. How many books does Turner have?

2. Carson has 29 stamps. He gives 12 stamps to Bradley and divides the rest among 5 other friends. If each friend gets the same number of stamps, how many stamps will be left over?

3. Angelina made cookies and muffins. The number of muffins she made is 4 times as many as the number of cookies she made. If she made 8 cookies, how many muffins did she make?

4. Some octopuses, fish and a few mermaids are in a rock pool. Altogether there are 38 arms, 24 eyes and 8 tails in the pool. How many mermaids are there?
