

Name: _____ Class: _____ Date: _____

POW 13

Ava and Jiao each swam a two-lap swimming race. Ava took 31.49 seconds to swim her first lap and 30.03 seconds to finish her second lap. Jiao finished her two-lap swimming race 1.76 seconds faster than Ava.

PART A

How long did it take Ava to finish her two-lap race?

PART B

What was Jiao's total swimming time, in seconds, after she finished her two-lap race?
